# Project 0 – Sketches

10 Breadth :

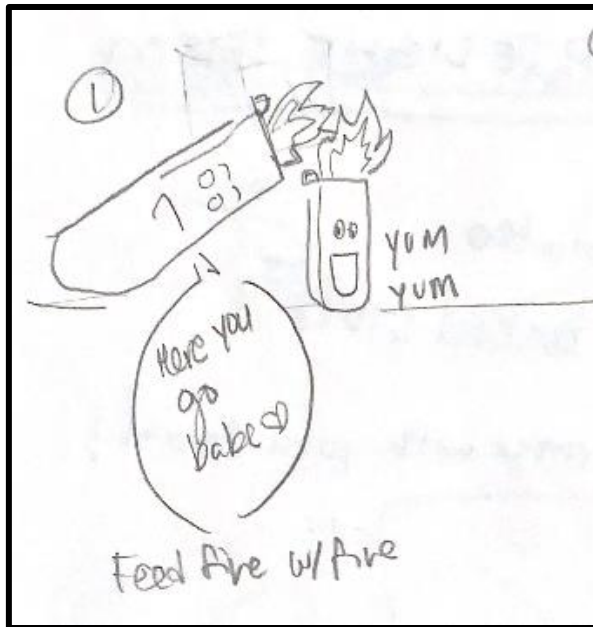

1. Fruit to Cake

- Basically: Click the fruit and it turns into a cake

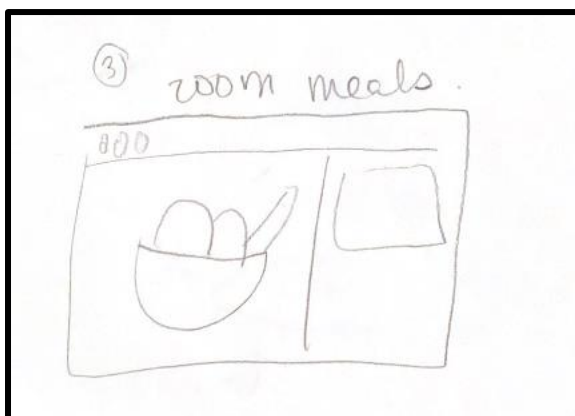

2. Food Stamp

- Fills page with food

3. Feed Fire with Fire

- Diverging from normal idea of feeding.
- What is the button in this?

4. Zoom Meal

- Topical
- Many possibilities
- Client said that he wasn't with his family atm

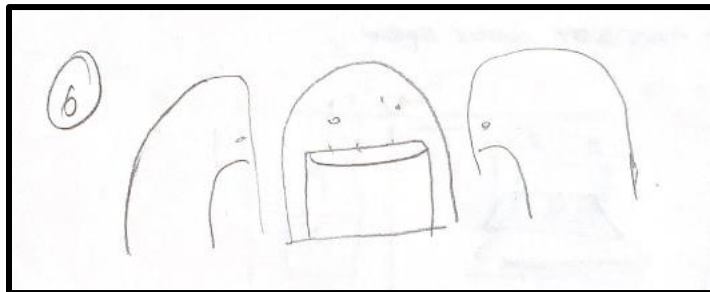

5. Sharing is Caring

- Basic
- Cute tho
- Where is the button

6. Sharing is Caring Expanded

- Multiple ways of sharing
- Different people sharing what they love with other
- Again, button?

7. Let Them Eat Cake

- Cute
- Button is?

8. Slicer

- Cuts image of cake into a slice
- Button is – cake
- boring

8. Oven Button

- Sticks its tongue out, but it's a cookie tray?
- Cute
- Practice with sketching app too
- Make my own images

9. Oven Button – made cuter

- Sticks its tongue out, but it's a cookie tray?
- CuteR
- Make my own images
- How to round edges on sketch app??
  o Have to use html

10 Depth (4- zoom meal):

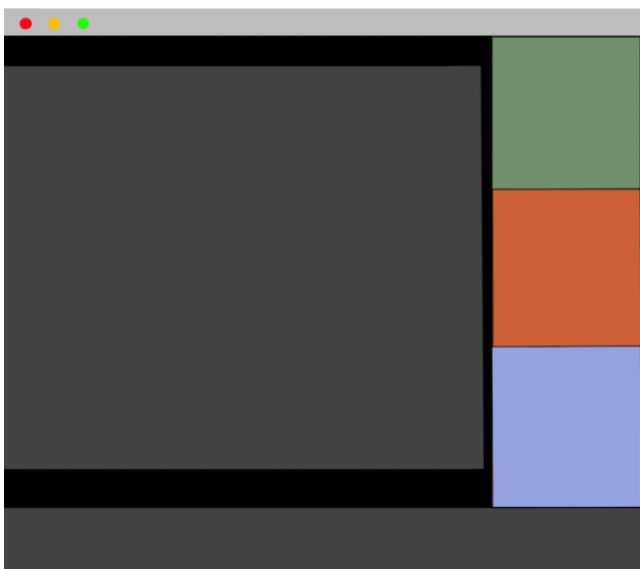

① oven door closed light off

② lisith turns on door open,

③

"Button jumps"

SHARE

④ User click

⑤ cookies dissappear 1 by 1

⑥ reactions from ppl ♡♡

3.1

- Mixed with sketch 7??
- Click share button and share a recipe??

3.2

- Zoom bake sesh
- Recipe on the screen
- Arrow pointing at current step
- When people in meeting show a checkmark moves to next step
- Concept button idea for an expansion to zoom that would delight Luke (?)

3.3

- Zoom window idea
- Sketching up ideas for the zoom window

3.4

- Back to 3.1
- Not share button like in zoom but a different one
- Sharing passion
- Not showing how its related to food though

3.5

- Back to 3.1
- Not share button like in zoom but a different one
- Sharing passion (food/baking)

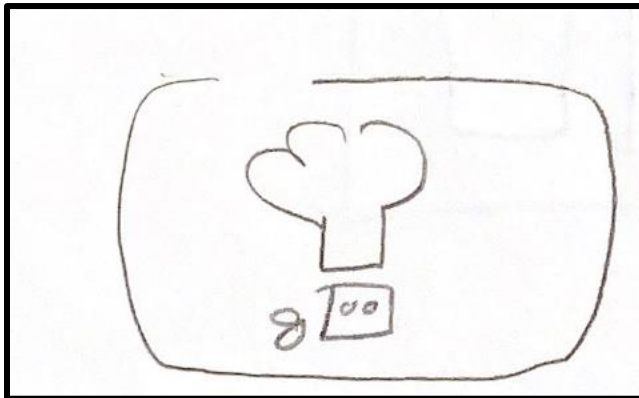

Luke is sharing his fave recipe with ALL

share

3.6

- Back to 3.1
- Not share button like in zoom but a different one
- Ability to share anything during lecture
- He'd share a recipe or a pic of his meal

3.7

- Back to 3.1
- Not share button like in zoom but a different one
- Baker,
- Met in lecture
- Super interested in baking
- Fantasize about changing lecture topic – "hijack"

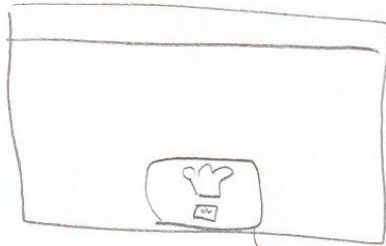

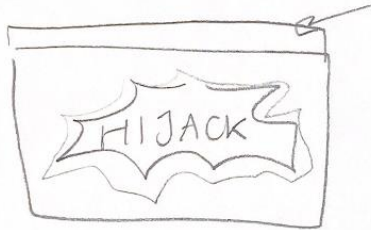

3.8

- Back to 3.1
- Button with outline

3.9

- Not a share button but a hijack button??

Hijack zoom sesh

Excusive button
on click()

HIJACK

Recipe   [?]
          [?]

3.10

- Zoom hijack
- Exclusive button to just Luke
